21. What was the best aspect?								
GT 1000 D14								
<ul style="list-style-type: none"> Resumes and the having people come in to talk about the different resources of Georgia Tech. Really allows for students to take full advantage of the provided services. Taught me a lot about resumes. Got to learn more about Georgia Tech. 								

22. How could it be improved?**GT 1000 D14**

- I STRONGLY recommend you remove class participation. Attendance is all that is necessary.
- More teaching revolving around resumes. Homework assignments were useless in many ways.
- Focus more the subjects that students are interested in.

23. Other comments about your responses in this section (quality of course). There is space for other overall comments later.**GT 1000 D14**
